With this visa you can

- stay in Australia indefinitely
- work and study in Australia
- enrol in Australia's public health care scheme, [Medicare](http://www.humanservices.gov.au/individuals/medicare) (<http://www.humanservices.gov.au/individuals/medicare>)

Travel to and from Australia for 5 years

You can travel to and from Australia as many times as you want for 5 years from the date we grant this visa. This is as long as the travel facility on this visa remains valid.

If you want to travel after the initial 5-year travel facility:

- you will need to apply for and be granted a [Resident Return \(RRV\)](/visas/getting-a-visa/visa-listing/resident-return-visa-155-157) (</visas/getting-a-visa/visa-listing/resident-return-visa-155-157>) so that you can re-enter Australia as a permanent resident
- you might also want to consider Australian citizenship. If you become an Australian citizen, you don't require a visa to enter Australia. You will need to apply for an Australian passport and use it to leave and re-enter Australia. See more about eligibility requirements and current processing times for [Australian citizenship](/citizenship/become-a-citizen) (</citizenship/become-a-citizen>)

To see when your travel facility ends, use [VEVO](/visas/already-have-a-visa/check-visa-details-and-conditions/) (</visas/already-have-a-visa/check-visa-details-and-conditions/>).

Apply for a Parent visa (subclass 103) as a retiree

If you apply for the subclass 103 visa as a retiree you don't have to:

- meet the balance of family test, or
- have a sponsor or an assurance of support

How long you can stay

This is a permanent visa. It lets you stay in Australia indefinitely.

For citizenship purposes, your permanent residence starts on the day we grant the visa.

Include family

You can include members of the family unit in your application when you apply.

You are required to include details of all your family members in your application form whether they are migrating or not.

Family members who apply for the visa must meet our [health](/help-support/meeting-our-requirements/health) (</help-support/meeting-our-requirements/health>) and [character](/help-support/meeting-our-requirements/character) (</help-support/meeting-our-requirements/character>) requirements. Family members who are not coming to Australia might also have to meet our health and character requirements.

If you apply for this visa as a retiree, you:

- can include your partner when you apply provided they are also retired
- can't include your children in your application

Newborn child

Find out what to do if [your child is born after you apply \(/change-in-situation/had-a-baby\)](/change-in-situation/had-a-baby).

Cost

This visa costs from AUD4,990.00. There is also an additional charge for each family member who applies with you.

You pay for this visa in 2 parts called instalments.

Pay the first instalment when you apply. Pay the second instalment when we ask you to. See more about [visa fees and charges \(/visas/getting-a-visa/fees-and-charges\)](/visas/getting-a-visa/fees-and-charges).

You might also have to pay other costs for each applicant for [health checks \(/help-support/meeting-our-requirements/health\)](/help-support/meeting-our-requirements/health), [police certificates](#) and [biometrics](#).

To work out what your visa will cost use the [Visa Pricing Estimator \(/visas/visa-pricing-estimator?visa=103\)](/visas/visa-pricing-estimator?visa=103). The estimator does not take into account the second instalment or other costs.

Apply from

You can be in or outside Australia, but not in immigration clearance, when you apply for the visa.

If you apply in Australia, any family members who apply with you must also be in Australia, but not in immigration clearance, when you apply. If you apply outside Australia, any family members who apply for the visa with you must also be outside Australia when you apply.

If you are applying as a retiree you must be in Australia, but not in immigration clearance, when you apply. You can be in or outside Australia when we make a decision on your application.

Processing times

The demand for Parent visas is greater than the number of places available each year. As a result, processing times for these applications can be lengthy.

For an indication of processing times for this visa, use the [visa processing time guide tool \(/visas/getting-a-visa/visa-processing-times/global-visa-processing-times\)](/visas/getting-a-visa/visa-processing-times/global-visa-processing-times). This will show the processing times for recently decided applications. It is a guide only and not specific to your application.

Your application might take longer to process if:

- you do not fill it in correctly
- you do not include all the documents we need or we need more information from you and/or
- your information takes longer than usual to verify.

We can't process your application if you do not pay the correct visa application charge. We will notify you if this is the case and if necessary return your application.

Applications for this visa are subject to [capping and queueing \(/help-support/glossary\)](/help-support/glossary).

Learn more about processing times and the Parent visa queue, see: [Parent visa queue \(/visas/getting-a-visa/visa-processing-times/family-visa-processing-priorities/parent-visas-queue-release-dates\)](/visas/getting-a-visa/visa-processing-times/family-visa-processing-priorities/parent-visas-queue-release-dates).

The Reports on Migration Programs (<https://www.homeaffairs.gov.au/research-and-statistics/statistics/visa-statistics/live/migration-program>) have further information on Migration Program outcomes against planning for each migration program year.

Assessment

We assess applications for this visa in 2 stages

1. Check eligibility and either add the application to the queue or refuse it.
2. Continue assessing the application when a place becomes available and make a decision.

Do not arrange to move to Australia until your visa is granted. We will let you know in writing if we grant you the visa.

Learn more about the Parent visa queue (</visas/getting-a-visa/visa-processing-times/family-visa-processing-priorities/parent-visas-queue-release-dates>) and processing priorities (</visas/getting-a-visa/visa-processing-times/family-visa-processing-priorities>).

Consider another visa

Other Parent visas available include the:

- Contributory Parent visa (subclass 143) (</visas/getting-a-visa/visa-listing/contributory-parent-143>). This is a permanent visa. Contributory Parent visas may be processed faster, but cost more
- Contributory Parent (Temporary) visa (subclass 173) (</visas/getting-a-visa/visa-listing/contributory-parent-temporary-173>), then a permanent Contributory Parent visa (subclass 143) (</visas/getting-a-visa/visa-listing/contributory-parent-143>). This 2-step visa process may be faster but costs more than the subclass 103 visa. It also costs more than applying directly for the Contributory Parent visa (subclass 143), but the cost is spread across the 2 visas over a longer period and
- Sponsored Parent (Temporary) visa (subclass 870) (<https://immi.author.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/sponsored-parent-temporary-870>) is a temporary visa allowing parents to visit their children in Australia for up to three or five years at a time and a cumulative maximum 10 year period.

You can view all visa options on our [Visa list page](/visas/getting-a-visa/visa-listing) (</visas/getting-a-visa/visa-listing>).

Your obligations

You must enter Australia before the date specified in your grant letter. The first entry date is generally set at 12 months from the date of visa grant.

You and your family members must meet all visa conditions and obey Australian laws.

See what conditions might be attached to this visa on our [visa conditions page](/visas/already-have-a-visa/check-visa-details-and-conditions/see-your-visa-conditions?product=103) (</visas/already-have-a-visa/check-visa-details-and-conditions/see-your-visa-conditions?product=103>).

Visa label

We will digitally link your visa to your passport. You will not get a label in your passport.

Eligibility

Not have this visa

You cannot apply for this visa if you have already applied for or hold a Sponsored Parent (Temporary) (subclass 870) visa.

Apply as a retiree

You can apply for a Parent visa (subclass 103) as a retiree if:

- on 8 May 2018, you held or had previously held an Investor Retirement (subclass 405) visa or Retirement (subclass 410), and
- you have not held any other substantive visa between 8 May 2018 and the date you applied for the Parent visa

If you apply for this visa as a retiree:

- you don't need to meet the balance of family test
- you don't need to have an assurance of support
- you don't need a sponsor

Have a sponsor

You must be sponsored by an eligible sponsor.

Usually you would be sponsored by an eligible child. If your child is under 18, you can be sponsored by an eligible relative or community organisation.

We must approve the sponsorship.

If you apply for this visa as a retiree you don't need a sponsor.

Meet the balance-of-family test

You must meet the balance-of-family test. You meet the [balance of family test \(/visas/getting-a-visa/visa-listing/contributory-aged-parent-864/balance-of-family-test\)](https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/contributory-aged-parent-864/balance-of-family-test) if:

- at least half of your children and step-children are eligible children, or
- there are more eligible children living in Australia than in any other single country

See examples of how the [balance-of-family test \(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/contributory-aged-parent-864/balance-of-family-test\)](https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/contributory-aged-parent-864/balance-of-family-test) is applied.

If you apply for this visa as a retiree you don't need to meet the balance of family test.

Have assurance of support

You must be able to obtain an assurance of support.

An assurance of support assures us that you will not have to rely on government assistance after you enter Australia on this visa. The assurance is for you and any family members who come to Australia with you on this visa.

We will let you know when you need to provide the assurance of support.

You must be able to obtain an assurance of support, unless you apply for the visa as a retiree.

If you apply for the visa as a retiree, you don't need an assurance of support.

Learn more about [assurances of support](https://www.humanservices.gov.au/individuals/services/centrelink/assurance-support) (<https://www.humanservices.gov.au/individuals/services/centrelink/assurance-support>).

Meet the health requirement

You and any family members who apply for the visa with you must meet our [health requirement](/help-support/meeting-our-requirements/health) (</help-support/meeting-our-requirements/health>).

We might also ask that other non-migrating family members meet the requirement.

Meet the character requirement

You, and family members who apply for the visa with you, must meet our [character requirement](/help-support/meeting-our-requirements/character) (</help-support/meeting-our-requirements/character>).

We might also ask that other non-migrating family members meet the requirement.

Have paid back your debt to the Australian Government

If you or any family members owe the Australian Government money you, or they, must have paid it back or have an approved formal arrangement to pay it back.

Not have had a visa cancelled or a previous application refused

We will consider your immigration history when we make a decision on your application, which means you might not be eligible for this visa if you have had a visa cancelled or refused.

In some circumstances you may still apply for a permanent visa if you have had a visa cancelled or an application refused, see [Limitations on applications in Australia](/form-listing/forms/1026i.pdf) (</form-listing/forms/1026i.pdf>).

If applying for a visa from outside Australia, see [Can I go to Australia](/entering-and-leaving-australia/entering-australia/can-i-go-to-australia/re-entry-ban) (</entering-and-leaving-australia/entering-australia/can-i-go-to-australia/re-entry-ban>).

If you want immigration assistance, see [Who can help with your visa application](/help-support/who-can-help-with-your-application/overview) (</help-support/who-can-help-with-your-application/overview>).

Sign the Australian values statement

If you are 18 years of age or older, you must:

- have read, or had explained to you, the [Life in Australia \(/help-support/meeting-our-requirements/australian-values\)](#) book
- sign an [Australian Values Statement \(/help-support/meeting-our-requirements/australian-values\)](#) that confirms you will respect the Australian way of life and obey Australian laws

Have health insurance

You are personally liable for all your healthcare costs while you are in Australia. Medical insurance helps limit your financial liability.

If you apply for this visa as a retiree, you must maintain adequate health insurance until you are granted a Parent visa. Your insurance should cover you for medically necessary treatment, including transport.

See a guide to what we consider [adequate health insurance \(https://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/health/adequate-health-insurance\)](https://immi.homeaffairs.gov.au/help-support/meeting-our-requirements/health/adequate-health-insurance).

Learn more about [health insurance for overseas visitors \(https://www.privatehealth.gov.au/health_insurance/overseas/index.htm\)](https://www.privatehealth.gov.au/health_insurance/overseas/index.htm).

Reciprocal healthcare agreements

Some countries have a reciprocal healthcare agreement with Australia. Find out more from Services Australia about [reciprocal healthcare agreements \(https://www.humanservices.gov.au/individuals/enablers/rhca-medical-care-visitors-australia\)](https://www.humanservices.gov.au/individuals/enablers/rhca-medical-care-visitors-australia).

Best interests of the child

We will not grant this visa if it is not in the best interests of an applicant under 18.

Meet all these criteria? Check how to apply in our [step by step \(#HowTo\)](#) guide.

Step by step

Step 1

Before you apply

Check your passport. If you need help with your application, get someone to act on your behalf.

Check your passport

You and anyone who applies for the visa with you must have valid passports before we grant the visa.

We will only grant the visa if you have a valid passport.

Get help with your application

Only some people can help you with your application. If you appoint someone to give you immigration assistance they must be:

- a [registered migration agent \(/help-support/who-can-help-with-your-application/using-a-migration-agent\)](/help-support/who-can-help-with-your-application/using-a-migration-agent)
- a [legal practitioner \(/help-support/who-can-help-with-your-application/using-a-legal-practitioner\)](/help-support/who-can-help-with-your-application/using-a-legal-practitioner), OR
- an [exempt person \(/help-support/who-can-help-with-your-application/exempt-person\)](/help-support/who-can-help-with-your-application/exempt-person).

You can appoint anyone to [receive documents \(/help-support/who-can-help-with-your-application/authorised-recipients\)](/help-support/who-can-help-with-your-application/authorised-recipients) on your behalf relating to your visa matter.

If you have an existing Parent visa application

If you applied for a different parent visa, but we have not made a decision about that visa, you must withdraw that application at the same time that you apply for this visa.

If you applied for a Contributory Parent (Temporary) visa (subclass 173) or a Contributory Aged Parent (Temporary) visa (subclass 884) you need to complete:

- Part C of [Form 47PT Application for migration to Australia by a Contributory Parent \(Temporary\) or Contributory Aged Parent \(Temporary\) \(/form-listing/forms/47pt.pdf\)](/form-listing/forms/47pt.pdf) visa holder

If you applied for an Aged Parent visa (subclass 804), you need to complete:

Balance-of-family documents

Show us that you meet the [balance-of-family test \(/visas/getting-a-visa/visa-listing/parent-103/balance-of-family-test\)](/visas/getting-a-visa/visa-listing/parent-103/balance-of-family-test) by giving us:

- evidence of how you are related to each child
- evidence of each child's country of permanent residence
- evidence that your child should not be included in the balance-of-family test (for example, their death certificate)

You don't need to meet the balance of family test if you are applying as a retiree.

Character documents

We might ask you for character documents, including police certificates. Don't arrange a police check until we ask you to.

Learn more about [police certificates \(/help-support/meeting-our-requirements/character\)](/help-support/meeting-our-requirements/character).

We might ask for biometrics (fingerprints and photo). We will let you know if you need to provide them.

Send more information

Send any documents you did not provide with your application to the Parent Visa Centre in Perth.

We might also ask you to provide more information.

Stay lawful

If you are in Australia and your current temporary visa is about to expire, you should make sure you stay lawful by holding a valid visa while we process your application.

Learn about visa expiry (</visas/visa-about-to-expire>).

Pay the second instalment

You must pay a second instalment before we will grant the visa. We will send you an invoice when it is due. If you do not pay the invoice, we will refuse your application.

Add family members

You might be able to add family members to your application before we make a decision.

Complete and send us Form 1436 Adding an additional applicant after lodgement (</form-listing/forms/1436.pdf>).

You will also need to provide evidence of your relationship and the family member's passport.

If you applied in Australia, any family members you add to the application must also be in Australia when you add them. If you applied outside Australia, any family members you add to the application must also be outside Australia when you add them.

Newborn child

Find out what to do if your child is born after you apply (</change-in-situation/had-a-baby>).

Mistakes on your application

Let us know as soon as you can if you made a mistake on your application.

Complete [Form 1023 Notification of incorrect answers \(/form-listing/forms/1023.pdf\)](/form-listing/forms/1023.pdf).

Help with your application

Let us know if you no longer want someone to:

- receive your correspondence - complete [Form 956A Appointment or withdrawal of an authorised recipient \(/form-listing/forms/956a.pdf\)](/form-listing/forms/956a.pdf)
- provide immigration advice - complete [Form 956 Appointment of a registered migration agent, legal practitioner or exempt person \(/form-listing/forms/956.pdf\)](/form-listing/forms/956.pdf).

Send written notification or your forms to the office you submitted your application.

For more information see [Who can help you with your application \(/help-support/who-can-help-with-your-application/overview\)](/help-support/who-can-help-with-your-application/overview).

Tell us if things change

Things you need to let us know about after you have applied include:

- changes to your phone number, address or passport
- changes to your marital or de facto status
- the birth of a child
- you want to withdraw your application

See what to do if [your situation changes \(/change-in-situation\)](/change-in-situation).

Withdraw your application and apply for a different visa

Other parent visas might be processed more quickly.

- The [Contributory Parent visa \(subclass 143\) \(/visas/getting-a-visa/visa-listing/contributory-parent-143\)](/visas/getting-a-visa/visa-listing/contributory-parent-143) is a permanent visa. Your application will be processed faster, but it costs more.
- The [Contributory Parent \(Temporary\) visa \(subclass 173\) \(/visas/getting-a-visa/visa-listing/contributory-parent-temporary-173\)](/visas/getting-a-visa/visa-listing/contributory-parent-temporary-173), then a permanent [Contributory Parent visa \(subclass 143\) \(/visas/getting-a-visa/visa-listing/contributory-parent-143\)](/visas/getting-a-visa/visa-listing/contributory-parent-143). This 2-step visa process is faster but costs more than the subclass 103 visa. It also costs more than applying directly for the Contributory Parent visa (subclass 143), but the cost is spread across the 2 visas over a longer period.

To withdraw your application for a subclass 103 visa and apply for a subclass 143 or subclass 173 visa instead:

- complete a new [Form 47PA - Application for a parent to migrate to Australia \(/form-listing/forms/47pa.pdf\)](#) (permanent). Make sure you complete Part B - Declaration to Withdraw correctly
- send the completed form and a new, completed [Form 40 - Sponsorship for migration to Australia \(/form-listing/forms/40.pdf\)](#) by post or courier to the Parent Visa Centre in Perth at the address on the form
- pay the visa application charge. We won't refund or transfer the charge you paid for your previous visa application

We will take the date you originally applied for a subclass 103 visa into account for your new application. You won't be disadvantaged by changing the visa you apply for.

Not all applicants who applied for the subclass 103 visa have to apply for a contributory visa instead. If one applicant for the subclass 103 visa changes their application it will not affect the other application.

Step 5

Visa outcome

If you applied as a retiree, you must be outside Australia when we make a decision on your application.

If you did not apply as a retiree, you must be outside Australia when we make a decision on your application.

We will let you know our decision in writing.

If we grant you the visa, we will let you know:

- your visa grant number
- the date your visa starts
- your visa conditions.

We recommend you keep a copy of our decision.

If we refuse your visa we will let you know:

- why we refused the visa
- whether you have a right to a review of the decision.

We will not refund the application fee if we refuse your application.

Coming to Australia

Before you travel

Check your travel documents

You must have:

- a valid visa to enter Australia
- a valid passport or other travel document.

Arrive before first entry arrival date

You must enter Australia before the date specified in your grant letter.

If your visa is still valid and the date specified in your visa grant letter has passed or will pass before you can travel to Australia, you must ensure that:

- you plan to travel to Australia within the next 12 months
- you submit the [travel facilitation letter request form \(/help-support/departmental-forms/online-forms/travel-facilitation-letter-request-form\)](#).

We may then send you a travel facilitation letter. This will state that we allow you to enter Australia after the first entry arrival date on your visa.

We will not issue a travel facilitation letter unless there is less than 3 months remaining on your first entry arrival date.

At the border

Complete an Incoming Passenger Card

All people arriving into Australia must complete the [Incoming Passenger Card \(https://www.abf.gov.au/entering-and-leaving-australia/crossing-the-border/at-the-border/incoming-passenger-card-\(ipc\)\)](#).

Use the SmartGate

We have an automated process that uses facial recognition technology and your ePassport. You might be able to leave the airport faster if you use [SmartGate \(https://www.abf.gov.au/smartgates\)](#).

In Australia

What you must do when you have this visa

You and your dependants must meet all visa conditions and obey Australian laws.

You can check visa details and conditions in [VEVO \(/visas/already-have-a-visa/check-visa-details-and-conditions-online\)](#).

Tell us if things change

See what to do if [your situation changes \(/change-in-situation\)](#).

What you can do on your visa

Check your visa conditions and expiry

See your visa expiry, conditions, and work and study entitlements in [VEVO \(/visas/already-have-a-visa/check-visa-details-and-conditions/overview\)](#).

See how long you can stay

This is a permanent visa. It lets you stay in Australia indefinitely.

For citizenship purposes, your permanent residence starts on the day:

- we grant the visa if you are in Australia
- you enter Australia on this visa if you are outside Australia

To see your specific conditions, work and study entitlements use [VEVO \(/visas/already-have-a-visa/check-visa-details-and-conditions/overview\)](#).

Access Australian Government benefits

As a newly arrived resident you might have to wait to access certain Australian Government payments and benefits. Learn more about newly arrived residents' waiting periods from [Services Australia \(https://www.humanservices.gov.au/individuals/enablers/newly-arrived-residents-waiting-period\)](#).

Travelling on your visa

You can travel to and from Australia as many times as you want for 5 years from the date we grant this visa. This is as long as the travel facility on this visa remains valid.

If you want to travel after the initial 5-year travel facility:

- you will need to apply for and be granted a [Resident Return \(RRV\) \(/visas/getting-a-visa/visa-listing/resident-return-visa-155-157\)](#) so that you can re-enter Australia as a permanent resident
- you might also want to consider Australian citizenship. If you become an Australian citizen, you don't require a visa to enter Australia. You will need to apply for an Australian passport and use it to leave and re-enter Australia. See more about eligibility requirements and current processing times for [Australian citizenship \(/citizenship/become-a-citizen\)](#)

To see when your travel facility ends, use [VEVO \(/visas/already-have-a-visa/check-visa-details-and-conditions/\)](#).

Proving you have a visa

To prove you have a visa and show your conditions to someone, use [VEVO \(/visas/already-have-a-visa/check-visa-details-and-conditions/overview\)](#).

You can request your international movement records by completing [Form 1359 - Request for international movement records \(/form-listing/forms/1359.pdf\)](#).

Working

With this visa you become a permanent resident. This means you can work and study. You are protected by Australian workplace law. See your workplace rights and entitlements (<https://www.fairwork.gov.au/how-we-will-help/templates-and-guides/factsheets/rights-and-obligations/visa-holders-and-migrant-workers-workplace-rights-and-entitlements>).

Bringing a family member

As an Australian permanent resident, you might be able to sponsor eligible family members to come to Australia.

To find a visa for your family member, [explore visa options \(/visas/getting-a-visa/visa-finder\)](#).

Becoming an Australian citizen

After a certain time, you might be eligible for Australian citizenship. Find out more about [becoming a citizen \(/citizenship/become-a-citizen\)](#).

For citizenship purposes, you become a permanent resident at a particular time:

- when you enter Australia on this visa, or
- if you have been in Australia before and held a permanent visa immediately before last leaving Australia, when we grant this visa

Leaving Australia

Before you leave

Check your travel documents

You must have a valid passport or other travel document to leave Australia.

Ensure your visa is still valid

See what to do if your [visa has expired or is about to expire \(/visas/visa-about-to-expire\)](#).

At the border

Departures SmartGate (all visas)

We have an automated process that uses facial recognition technology and your ePassport. You might be able to leave the airport faster if you use [SmartGate \(https://www.abf.gov.au/smartgates\)](https://www.abf.gov.au/smartgates).

After you leave

Prove you have been to Australia

To prove you have been to Australia, request your international movement records by completing [Form 1359 - Request for international movement records \(/form-listing/forms/1359.pdf\)](#).
