If you want to travel after the initial 5-year travel facility:

- you will need to apply for and be granted a [Resident Return \(RRV\)](/visas/getting-a-visa/visa-listing/resident-return-visa-155-157) (</visas/getting-a-visa/visa-listing/resident-return-visa-155-157>) so that you can re-enter Australia as a permanent resident
- you might also want to consider Australian citizenship. If you become an Australian citizen, you don't require a visa to enter Australia. You will need to apply for an Australian passport and use it to leave and re-enter Australia. See more about eligibility requirements and current processing times for [Australian citizenship](/citizenship/become-a-citizen) (</citizenship/become-a-citizen>)

To see when your travel facility ends, use [VEVO](/visas/already-have-a-visa/check-visa-details-and-conditions/) (</visas/already-have-a-visa/check-visa-details-and-conditions/>).

How long you can stay

This is a permanent visa. It lets you stay in Australia indefinitely.

For citizenship purposes, your permanent residence starts on the day we grant the visa.

Include family

You can include members of the family unit in your application when you apply. You can also add them to your application at any time before we make a decision.

Family members who apply for the visa with you must meet our [health](/help-support/meeting-our-requirements/health) (</help-support/meeting-our-requirements/health>) and [character](/help-support/meeting-our-requirements/character) (</help-support/meeting-our-requirements/character>) requirements.

Family members who are not coming to Australia might also have to meet our [health](/help-support/meeting-our-requirements/health) (</help-support/meeting-our-requirements/health>) and [character](/help-support/meeting-our-requirements/character) (</help-support/meeting-our-requirements/character>) requirements.

Cost

This visa costs AUD4,990.00. There is an additional charge for each family member who applies with you.

You pay for this visa in 2 parts, called instalments. Pay the first instalment when you apply and the second instalment when we ask you to.

You might also have to pay other costs for health checks, police certificates and biometrics.

To work out what your visa will cost use the [Visa Pricing Estimator](/visas/visa-pricing-estimator?visa=835) (</visas/visa-pricing-estimator?visa=835>). The estimator does not take into account the other costs.

See more about [visa fees and charges](/visas/getting-a-visa/fees-and-charges) (</visas/getting-a-visa/fees-and-charges>).

Apply from

You must be in Australia when you apply and when we decide on your application.

Processing times

The demand for Other Family visas is greater than the number of places available each year. As a result, processing times for these applications can be lengthy.

For an indication of processing times for this visa, use the [visa processing time guide tool \(/visas/getting-a-visa/visa-processing-times/global-visa-processing-times\)](#). This will show the processing times for recently decided applications. It is a guide only and not specific to your application.

Your application might take longer to process if:

- you do not fill it in correctly
- you do not include all the documents we need or we need more information from you and/or
- your information takes longer than usual to verify.

We can't process your application if you don't pay the correct visa application charge. We will notify you if this is the case and if necessary return your application.

Applications for this visa are subject to capping and queueing.

If you or any family members owe the Australian Government money, you or they must have paid it back or have an approved arrangement to pay it back.

Not have had a visa cancelled or a previous application refused
