Include family

You can include members of the family unit in your application when you apply. You can also add them to your application at any time before we make a decision.

Apply from

You and all applicants must be outside Australia when you apply and when we decide on your application.

Processing times

The demand for Other Family visas is greater than the number of places available each year. As a result, processing times for these applications can be lengthy.

For an indication of processing times for this visa, use the [visa processing time guide tool \(/visas/getting-a-visa/visa-processing-times/global-visa-processing-times\)](/visas/getting-a-visa/visa-processing-times/global-visa-processing-times). Your application might take longer to process if:

- you do not fill it in correctly
- you do not include all the documents we need or we need more information from you and/or
- your information takes longer than usual to verify.

We can't process your application if you don't pay the correct visa application charge. We will notify you if this is the case and if necessary return your application.
